Christian Advocates for Adoption	Funding your adoption through CAFA is not by means of a grant, loan or gift from this ministry, but by inviting others to participate with you financially. By asking for support for your adoption, you are opening a door of opportunity to others to participate in the cause of the fatherless. Working together we want to help you in raising up to one half of the cost of your adoption. Any funds raised beyond the goal will be used to further the ministry of CAFA and to assist other orphans find their place in loving Christian families.	www.cafadopt.org
